

Press Release

July 8, 2009

News from June 2009

We have had an exciting month with a garage sale and ice cream social. Our garage sale – held inside the museum – was a huge success as we sold many items and made some money. Our leftover items were given to the elementary school for the students to sell at their annual sale to raise funds for special projects.

We believed it was only fitting that we return the favor in view of the work the students did to help us with our Woolly Mammoth exhibit.

The weather kept our attendance down for the ice cream social, but we made a little bit of money and had a good time. Hank's Frozen Custard couldn't give us custard as it melts too fast, but did donate money to allow us to purchase ice cream and members made cakes to serve! Thank you.

We also offered grilled hot dogs as well. We had a good time and made a little bit of money.

Thank you to all those who donated items, worked the sale or purchased anything. All in all, we made more than \$800 that day!

We also had a great day at the wooden boat show as George Rutherford took the Liberty the Second out to display. He not only showed off the boat, but sold some of our items and accepted donations for a total day's income of nearly \$240.

The community is so supportive of all of our efforts and we can only say thank you and we appreciate it!

We hope you enjoy our efforts and stop and see what we have done with the money we earned.

We try hard to spend our money wisely to preserve our history and promote our town as a place to stop and get a glimpse of our history.
