

# Conneaut Lake Area Military Banner Tribute Campaign

The historic town of Conneaut Lake, surrounding townships and the Conneaut Lake Area Historical Society (CLAHS) take great pride in the men and women who are serving or have served our great country in peace and war. Please join us in recognizing and honoring those veterans who have made it possible for us to enjoy our freedom.

This campaign salutes our veterans by displaying a beautiful 24" x 48" banner with a picture of the veteran from Memorial Day to Labor Day in Conneaut Lake. The street banner will hang for two or three years depending on wear and weather and then will be returned to the family or sponsor.

We extend our gratitude to all who support and sponsor this banner campaign.

We love, honor and respect our veterans!
